## 2. CONDUCT OF THE PROGRAM

Under the Programme, the Parties can collaborate on the following topics. However, other collaboration areas will be reviewed and can be added to the MoU by mutual agreement of the Parties, in the future.

**A. Capacity building and Student training:** The students of Jain AGM can benefit from Amrith Labs experts and facilities, while the students can potentially be trained in relevant field by Amrith Labs. For this purpose, the following opportunities can be explored to set up a long- term collaboration:

- I. Amrith Labs will provide necessary training to students of Jain AGM and provide the certification upon completion of the course.
- II. Amrith Labs will charge Nominal Fee for such training conducted for Jain AGM students. Representative from Amrith Labs may be invited by the Jain AGM to inform on the latest areas of research whenever required.

**B. Quality Control Testing & Research Activities:** Amrith Labs shall ensure availability of all the necessary facilities as per MESAR 24 and shall conduct quality control tests as provided by Dept of Rasa Shastra & Bhaishajya Kalpana, and Dravya Guna Vignana of Jain AGM with nominal fee.

- I. Amrith Labs. and Jain AGM may sponsor seek funding to conduct research in areas of joint interest after receiving necessary approval internally.
- II. Collaborative research project on identifying potential areas of Ayurveda towards value added products, Drug development, etc., can be worked out from time to time.
- III. Publication of programme results in scientific journals and meetings, and potential patent filing is envisioned. The Parties will agree on procedures for publication and ensuring the filing of patents prior to any disclosures for joint activities.
- IV. New data, information, intellectual property and materials developed in the Programme ("Programme Results") will be owned by the Party, or Parties (as the case may be) that conceived created or developed the Programme Results, such that any Programme Results conceived created and developed solely by one Party will be owned by that Party and any Programme Results conceived created or developed jointly by Jain AGM and Amrith Labs will be jointly owned by the Parties. Each Party will exclusively own its existing and developed intellectual property related to that Party's respective proprietary IPR.

C. Each Party will comply with all applicable laws, rules and regulations in conducting activities under the Programme, including those relating to use and transport of materials and the protection of the environment.
